

SUNRISE COMMUNITY FARM CENTER, LLC

Staff Job Descriptions - Summer Camp Mentor (Rainbows)

PAY RATE AFTER TRAINING: \$12

START DATE: JUNE 10TH

Sunrise Community Farm Center is searching for passionate leaders to lead summer camp activities! Rainbow mentors will work with our Rainbow campers. These campers are rising kindergarteners to rising third graders, ages 5-8. If you are passionate about helping our youngest campers thrive in an outdoor farm setting, we would love to meet you. Camp programs include gardening, arts and crafts, animal care, horse riding, and more!

Rainbow Mentors work with and supervise Assistant Mentors to lead groups of 10-12 kids through camp activities. This Mentor needs to be flexible, open to growth and learning opportunities, and have clear communication & strong leadership of the Assistant Mentors they work with. This job takes place entirely outside, so Mentors need to be ready to perform physical tasks and not afraid to get dirty! This position is about 35 hours per week, with opportunities for additional hours available. It is preferred that a Rainbow Mentor has either previously worked as an Assistant Mentor, with children in a counselor / activity planner position, or at another summer camp program in a similar capacity. Must be available the entirety of the summer

Responsibilities:

- Lead Assistant Mentors with daily fun activities and guidance of Rainbow Campers according to weekly themes and schedule.
- Understand and plan ahead for the schedule following the rainbow activities guidance from Program Director.
- Act as an example to other Assistant Mentors in professionalism by arriving on time, presenting kindness and maturity, and demonstrating problem solving skills in the face of crisis.
- May offer enrichment classes and electives as supported by personal interests
- Coach assistant and junior mentors on engaging directly with campers, how to care for camper health, and in steps toward fulfilling the camp goals from the Rainbow Program Description.
- Maintain a positive attitude through potential camper challenges.
- Respond and communicate well, receive and give constructive criticism and feedback.
- Facilitate safe, positive interactions between campers and farm animals.
- Help support the emotional and physical safety of all campers via instruction from Mentors.
- Lead Mentors must be 18 years of age to apply.

Schedule:

- ~35 hours / week
- 8:30-3:00, additional hours as needed for Early / Extended Care
- Must be available to work entire summer, and for training June 9th-13th, 2025
- June 16th - August 22nd, 2025
- Monday through Friday
