

SUNRISE COMMUNITY FARM CENTER, LLC

Staff Job Descriptions - Summer Camp LifeGuard

PAY RATE AFTER TRAINING: \$12-\$14

START DATE: JUNE 16TH, 2025

Sunrise Community Farm Center is in search of a Lifeguard for our summer camp. The lifeguard is responsible for supervising campers during our afternoon pond swim time. Lifeguard is responsible for administering swim tests for the deep end, constantly monitoring the safety of kids in and around the pond, and must be lifeguard certified by June 10th. Due to the nature of lifeguarding in natural environments, lifeguards should be 18 years of age and have at least 1 year of experience.

Sunrise Summer Camps attendants participate in swim time every day of the summer unless foul weather conditions make it unwise or impossible to do so. Lifeguards are responsible for directing Mentors and Assistant Mentors (camp counselors) on ways to assist them in supervision of swim time according to pond zones. Lifeguards may work solely in their position as a pond lifeguard or additionally work in another capacity on the farm.

Responsibilities:

- Administering deep end swim tests to campers in older age bracket
- Monitoring the safety of up to 40 campers in the pond at a time
- Using proper techniques to observe kids and enforce safety and rules

Schedule:

- 10 weeks, June 16th to August 22nd, 2025
- Part-time, 20 hours/wk
- Afternoons Monday - Friday
- Must be available for training before summer camp, minimum of 6 hours.

How to Apply:

Go to the employment page on our website, below, and select “Lifeguard (summer camp)” from the drop down menu. Feel free to ask questions through the contact information below.
