

SUNRISE COMMUNITY FARM CENTER, LLC

Staff Job Descriptions

WOODSHOP MENTOR

STARTING PAY RATE: \$16.00/HOUR PART TIME

START DATE: FLEXIBLE

Sunrise Community Farm Center is looking for a skilled and careful leader to help instruct our older campers in woodshop! Campers aged 8 - 12 are able to select woodshop as an elective or sign up for woodshop enrichment classes after the regular camp day has ended. We are seeing a mentor who is able to safely guide campers through the basics of wood craft. Campers build items like birdhouses, wooden cars, and learn safe tool use. Prior experience building complex projects is a plus. Extensive woodshop experience is required.

We are additionally looking to expand our programs to include adult education and building offerings during the week and weekends.

The woodshop mentor must be a strong leader with good safety and risk awareness.

Responsibilities:

- Inspire and lead kids, teens, possibly adults through basic woodworking skills.
- Educate on the different power and hand tools, wood types, and techniques of woodcraft.
- Create a fun and safe learning environment in our farm wood shop.
- Come up with exciting and innovative woodcraft projects that continuously engage kids.
- Assist in building animal enclosures, furniture, and repairing farm equipment.

Schedule:

-
- Part-time, 12-16 hours per week
- Afternoons, exact times can be flexible depending on availability
